This week we're learning:

*There's always more to
discover about God's plan.*

Bible Story:

The Road to Emmaus

Luke 24: 13-35

Memory Verse:

Don't do anything only to get
ahead. Don't do it because
you are proud. Instead, be
humble. Value others more
than yourselves.

Philippians 2:3

Discussion Q's:

How do we learn more about
something?

What is something you want
to learn about God?

Family Activities:

Hot & Cold Discovery:

Find an object from your home (a toy or small object). Have one person hide it while everyone else has their eyes closed. Once the item is hidden everyone can open their eyes. Play *Hot or Cold* to help them discover the hidden object.

If they are far from the object say, "cold," as they get closer say, "getting warmer," when they are super close to the object say, "hot!" Once they have discovered the object you can switch and play again! Talk about how our faith and relationship with Jesus is a discovery too.
